George Norman Highley

1910 - 1978

Manuscript Collection 218

George Norman Highley Genealogical Collection

George N, Highley was a banker and insurance agent by profession and local historian and genealogist by avocation. A lifelong resident of Malvern, Chester County, Pa., he helped compile the History of Malvern published in 1964 for the borough's 75th anniversary.

He was president of Chester County Historical Society from 1967 to 1970, a founder and member of the Malvern-Paoli Lions Club, treasurer and life member of the Paoli Memorial Association. He was an art collector and served on the board of the Chester County Art Association. He also belonged to The Pennsylvania Academy of the Fine Arts.

He was unmarried and bequeathed his genealogical and historical papers to CCHS in 1978. The collection was received late in 1978. There was little evidence of Mr. Highley's system for arrangement so the Society undertook to arrange and describe the papers. Marwood Darlington was project archivist.

MG 4.27 falls into four series:

- I. Genealogical papers, including correspondence, notes, diaries, journals and documents.
- II. Photographs
- III. Chester County historical research
- IV. Topics
