Chester County History Center*

OUR WORK

Chester County History Center has been committed to its diverse community, the preservation of its history, and has served as a resource for new history makers since its founding in 1893. CCHC is a non-profit educational institution with the mission to *link the past to the present, to inspire the future* while continuing to engage, preserve, educate, connect, and imagine with our community.

CCHC is responsible for three centuries of history through the preservation of documents, photographs, and artifacts, a new interactive 5,000 sq. ft. exhibit: *Becoming Chester County*, and year-round youth and adult education programs accessible to all community members.

Le Cirque: 4th Annual Halloween Ball

Chester County History Center -CCHC- will celebrate its **4th Annual Halloween Ball** in benefit of its educational programs and collection preservation. This year's Halloween Ball theme will be the circus **-Le Cirque**. The theme seeks to evoke childhood memories, the nostalgia of wondrous experiences, and how they are integral to our personal history.

As our largest fundraising event of the year, the Halloween Ball seeks to bring awareness to the Center's mission and commitment to community. Through educational programs, experiences, and access to our vast collection, CCHC connects diverse residents and visitors to ideas that illustrate how Chester County, its history and community are relevant to the larger story of our nation.

Your support of the 4th Annual Halloween Ball will directly benefit the preservation and permanence of 300 years of Chester County history by the continued operations of the History Center serving constituents of all ages, abilities, and backgrounds through accessible and equitable opportunities of participation in educational programs, exhibits, and activities.
